# NATURAL/E PROCLEANER

## Antibacterial cleaning

### "ZERO BACTERIA"

Natural/e Procleaner eliminates bacteria.  
Universal floor cleaner and protector.

It is a water suspension designed to enhance the effectiveness of microfibers, ensuring satisfactory results thanks to the properties of the nanomaterials it contains. If regularly used with microfiber cloth, it enriches surfaces with physical-chemical properties that reduce environmental contamination and bacterial growth.

This results in greater cleanliness and sanitization over time.
